

How To Change Your 'Password'

To change your 'password' simply go to the Account Sign In page and click on the link under '*Forgot your PIN or password?*' that says '**CLICK HERE TO HAVE IT SENT TO YOU**'. From here you can change your personalized password. See below image for examples. Please note that you cannot change your PIN.

A screenshot of the "Existing users." sign-in form. The form is titled "Existing users." and has a subtitle "Sign in with your". Below the subtitle is a "Username" dropdown menu and a text input field. Below that is a "Password" section with a text input field containing five dots. At the bottom left is an orange "SIGN IN" button. To the right of the button is the text "Forgot your PIN or password? Click here to have it sent to you." with a red arrow pointing to the link.
