## Ferry Travel Tips

### HOW EARLY SHOULD I ARRIVE?

- Travelers with vehicle reservations must be checked in for boarding no later than 30 minutes prior to departure. Walk-on passengers should arrive 30 minutes prior to departure, as popular trips can reach capacity.
- During the summer months, we recommend 45 minutes to one hour prior to departure.
- For parking offsite, allow yourself time for parking and the shuttle ride to the dock. We recommend being at the parking lot one hour before your scheduled departure.
